

Connection to the Students server via SFTP

To use this service you need a @deec.uc.pt or @student.uc.pt account

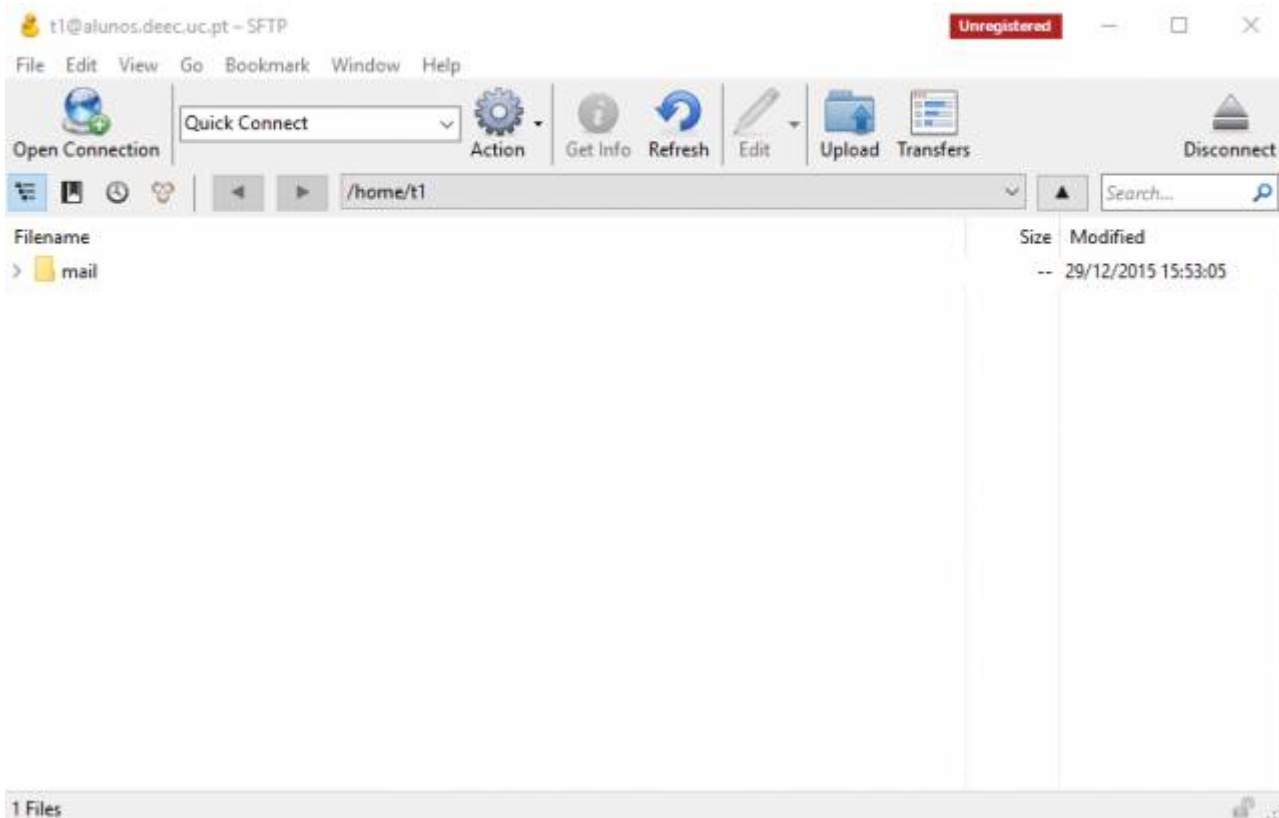

- 1 - Download and install Cyberduck. To download it click [here](#) (select Windows or Mac OSX).
- 2 - Open Cyberduck, click on Open Connection, select SFTP (SSH File Transfer Protocol) and then fill in the fields according to the image, using your username and respective password

- 3 - Click on Allow in the next window.

4 - After the connection is established, you can start transferring files between the server and your machine.
