Desktop Virtualization (VDS) @ LAI3

Introduction

The first step will be to open the Lubuntu "Start" menu, select "Internet" and open the "Citrix Receiver":

Image not found or type unknown
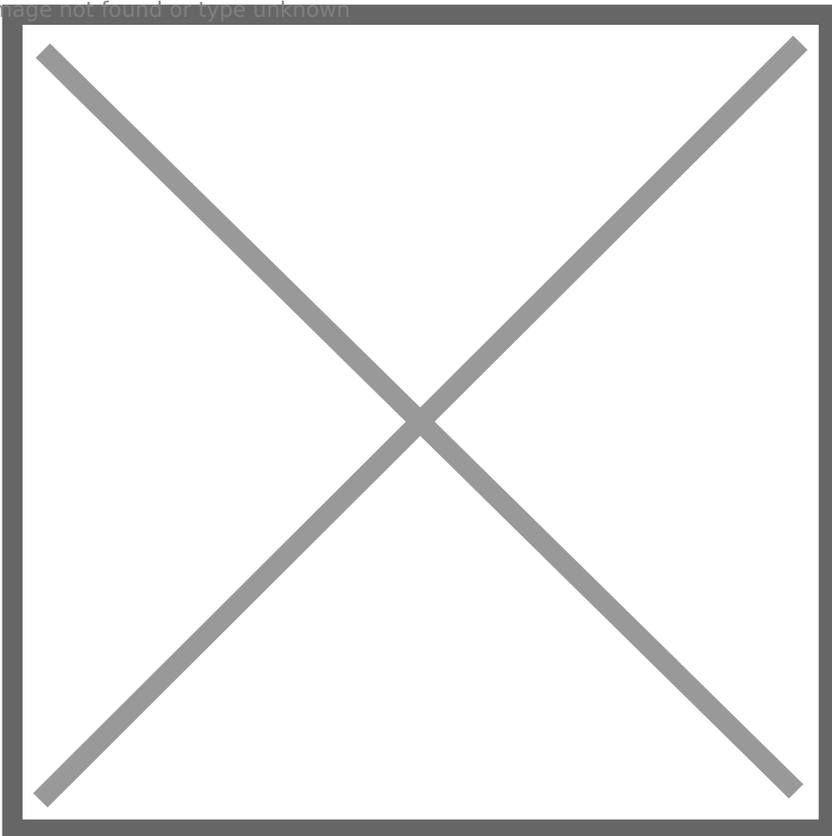

The software will start.

Then, click on "Accept"
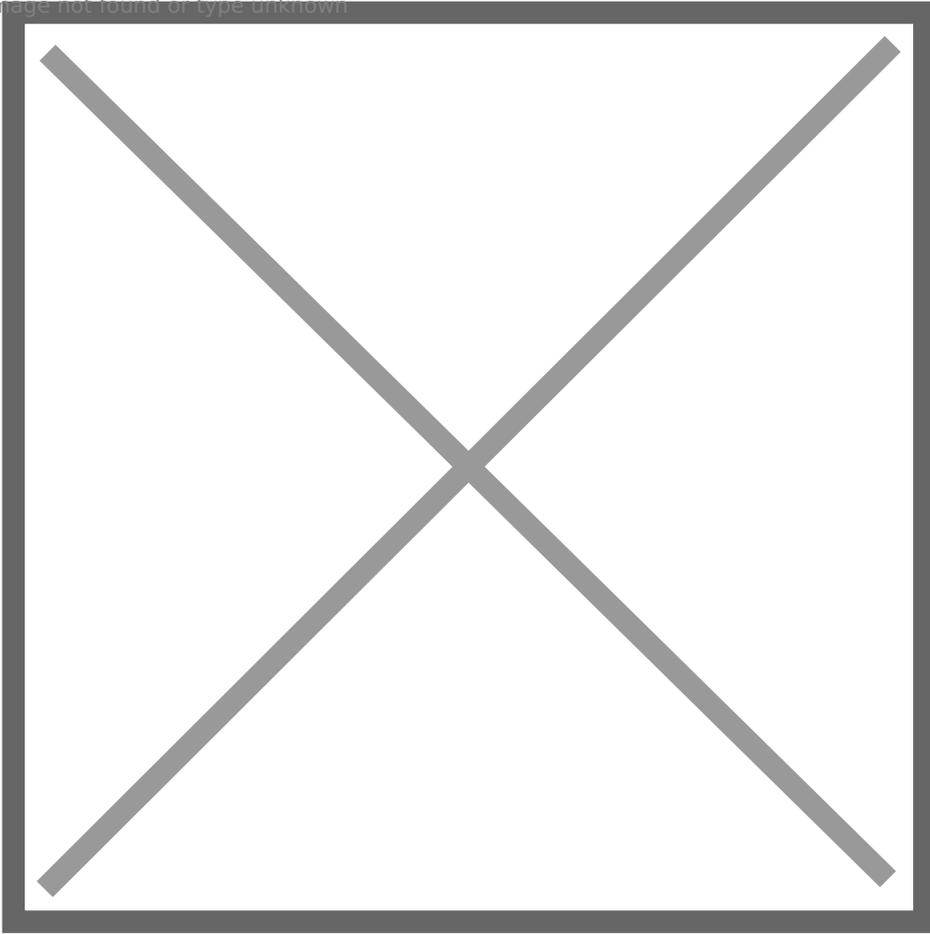

You must enter the following server address: vds.deec.uc.pt
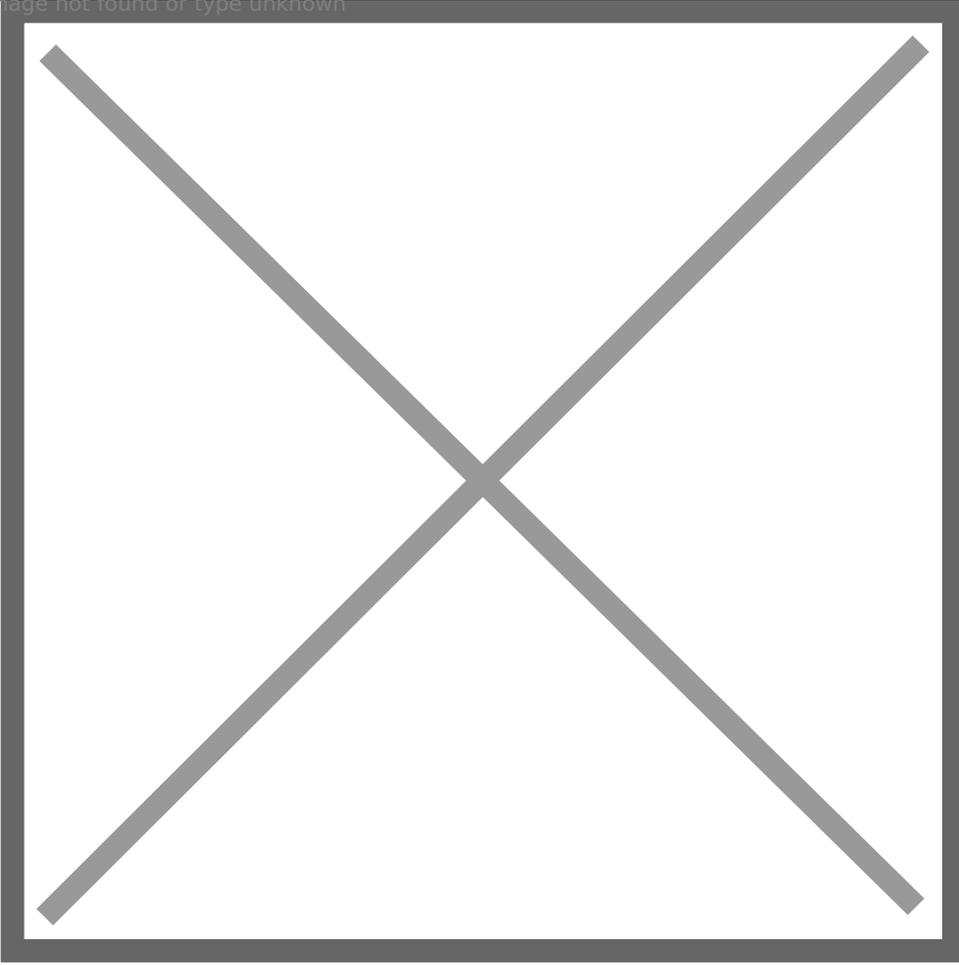

You must complete your DEEC credentials
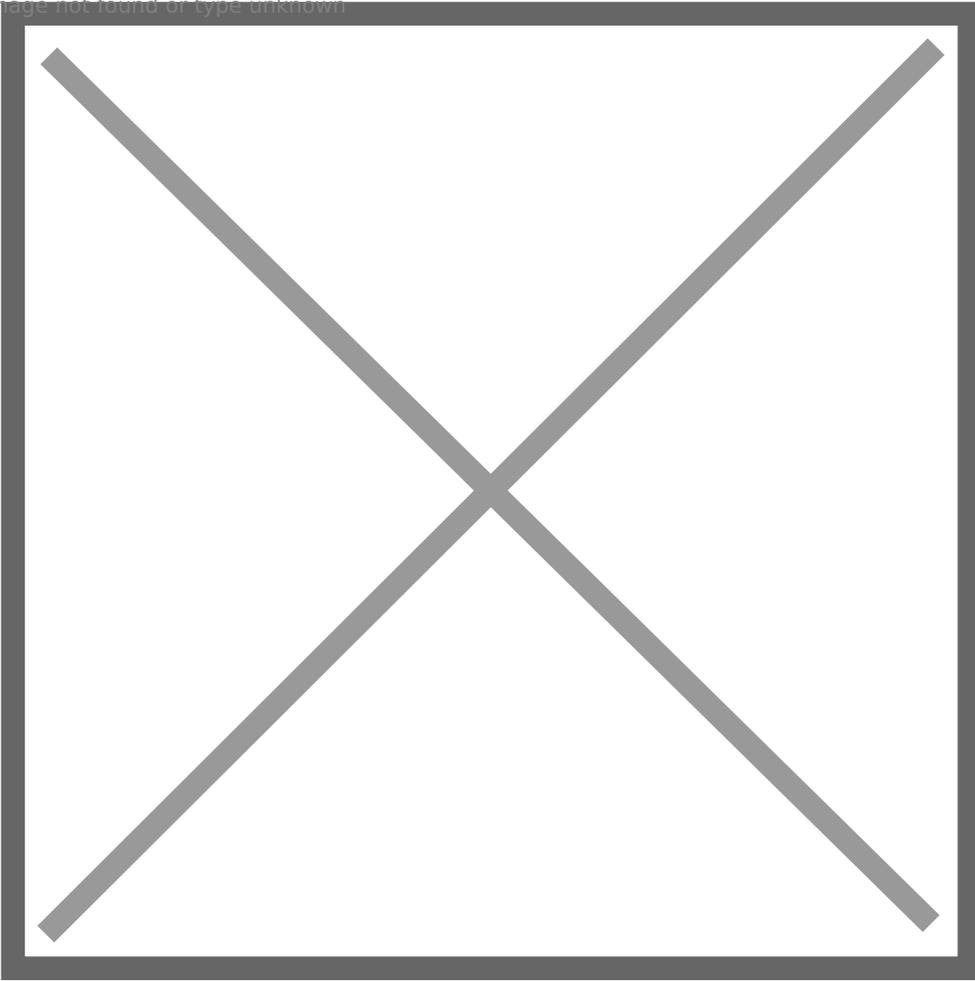

Authentication to the VDS system is now complete.

Click on the "+" to add access to the Virtual Desktop:
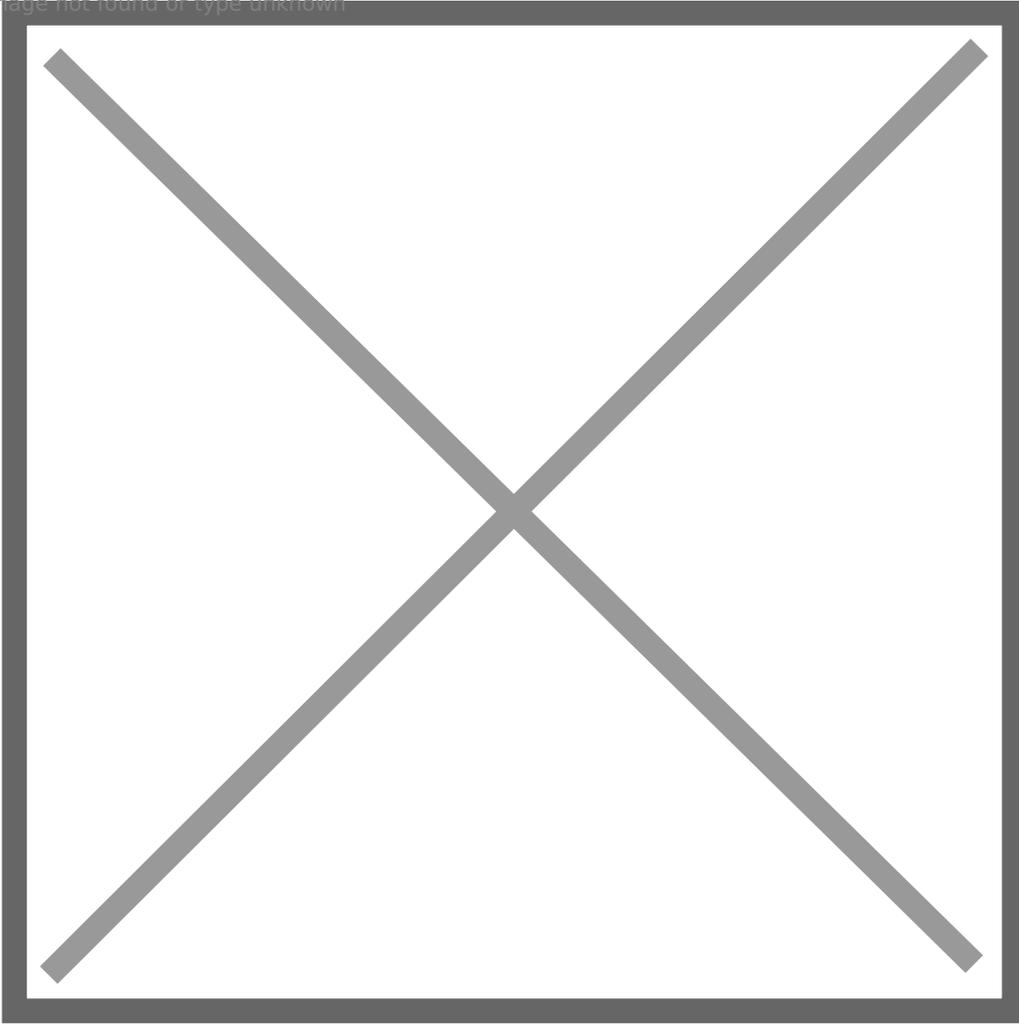

Go to "All Apps" and select "Windows 8/10":
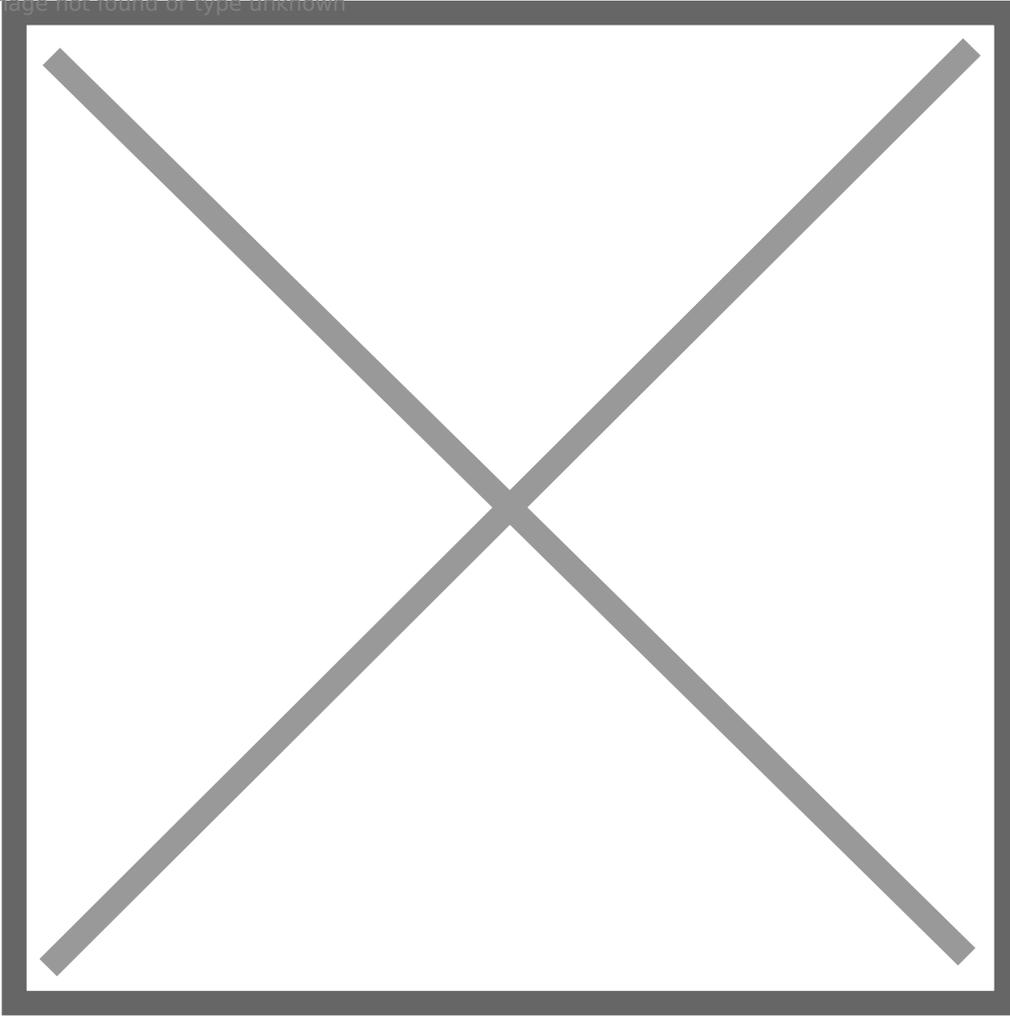

Click on the icon and the Virtual Desktop with Windows 8 will start.

Image not found or type unknown
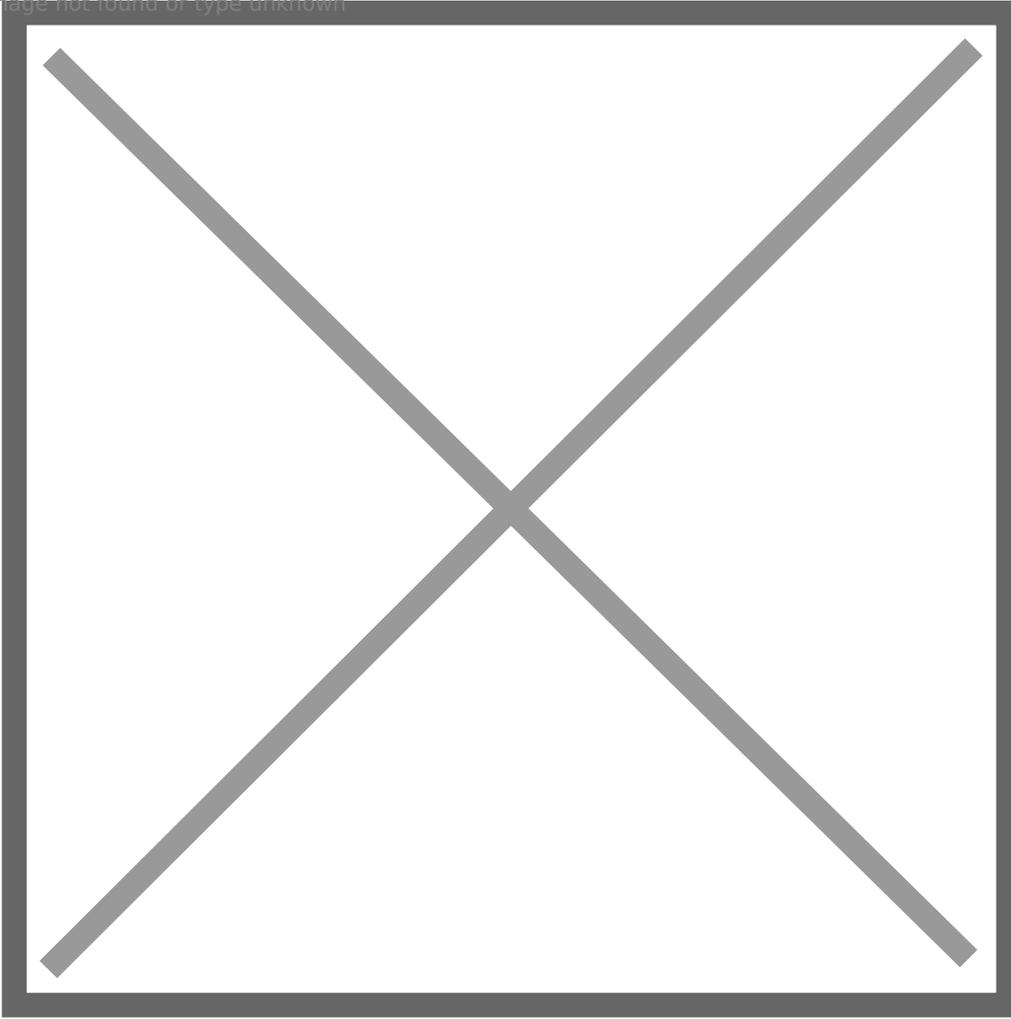

Wait a moment for the working session to become available.
